Suggested Donation List

This is a list of food and toiletry items that are needed for our pantries. We are requesting these specific sizes because our clients must be able to carry bags that will not be heavy because they may be walking or taking the bus - not all have access to a car, so they are appreciated when possible.

Thank you!

Suggested Food Items

- **Hearty soups and stews**, 11, 16, or 19oz
